

“An Evening of Discovery” Returns to Brunner on Friday, April 30 from 7-9 p.m. This fun, hands-on family science night is appropriate for all students, but we need LOTS of parent & teacher volunteers! If you can donate an hour of your time that evening, please contact Colleen McDonald ~ [The6McDs@verizon.net](mailto:The6McDs@verizon.net) In addition, we are also looking for “old or broken” electronic equipment for the very popular “Take Apart & See How it Works” Room. Kindly contact Christine Baylor ~ [cmbaylor@verizon.net](mailto:cmbaylor@verizon.net) to donate items.
