**Happily Ever After: Pushcart Players**

“Happily Ever After... A Cinderella Tale” is an all-new production based on a legend first told more than a thousand years ago – in China. It is about overcoming adversity, dreaming dreams and about goodness. This popular story is about things that can help us learn and grow, such as the unbecoming nature of bully behavior; making good choices and being responsible for the choices we make.

This is the **bestest** musical ever, I tell you! It's got loads of funny songs, and it's based on a bunch of books this lady, Barbara Park, wrote about me and the things I do in first grade.
