

Ideas needed...

We are looking for ideas for our "Family Field Trip" for this spring. I looked into the Great Wolf Lodge again but they have raised their prices quite a bit from last year. I've discussed the rates with several parents and the feeling is that the rates would be too high and there would not be enough interest to arrange that trip again.

I'd love to hear from you if you have an idea for a trip. Please email me asap at skluckas@verizon.net.

Thanks!
