

## ***KIDS CARE HOLIDAY TOY DRIVE***

The Evergreen Kids Care Committee would like to ask Evergreen families to consider a holiday donation to the Emmanuel Cancer Foundation. The Emmanuel Cancer Foundation, founded in 1983, serves New Jersey's children with cancer and their families by providing emotional, material and emergency financial support. The headquarters are located in Scotch Plains. This year we received a holiday wish list with items requested from ECF cancer children. If you can help with one of the items on the wish list, please call Christine Dencker, 654-8860, so that we can keep track of any purchased items and try not to duplicate. If you purchase an item, please return it to Evergreen school between December 1 and December 5, 2008. There will be a bin outside of the main office. The following week we will ask the fourth graders to help with preparing, wrapping, and tagging the gifts prior to delivery to Emmanuel Cancer Foundation.

Thank you in advance for your support!
