

Pick up the Tab Campaign

For

Ronald McDonald House

Join the local PTA's and PTA Council in our "Pop Tab" program to generate funds for the Ronald McDonald House (RMH) in New Brunswick. Our Goal is to become a member of the **Collect-A-Million Club**.

The little, seemingly insignificant tab you pull to open your aluminum cans helps earn money for RMH. Proceeds go directly to families in need who are staying at the House.

Anyone and everyone can collect pop tabs! It's easy, fun, and a great project for families and friends. So start *Popping the Tabs* and place them in any of the containers located at the 8 Scotch Plains Fanwood Schools.

Feel free to call Karyn Steele @ 230-6298 or email [ptalabradores@aol.com](mailto:ptalabradores@aol.com) with any questions.
