

McGinn children open their hearts to the children of Haiti

The week of February 16th to 19th the McGinn PTA will be collecting first aid items to send to earthquake survivors in Haiti. We will bring our supplies to the Ambulatory Surgery Center in Union. The Center is working with the United Way, Inspire Haiti, and the Red Cross to collect all types of medical supplies. The supplies will be delivered in late March. For more information about this project go to www.nj4haiti.org.

The following supplies will be greatly appreciated!

Band-Aids
Alcohol Wipes
Ace Wraps
Surgical Masks
Neosporin/Antibiotic Creams
Hand Sanitizers
Face/Hand Towels
Tums/Antacids

Please have children drop the items off in the Kids Care baskets at the front and back path doors of the school.

Thank you very much!
