Supermarket Gift Card Fundraiser
2009 Spring Music Department Trip

We invite you to participate in the Stop & Shop, A&P, and ShopRite Gift Card fundraisers for the 2009 Spring Music Department Trip. This fundraiser lets you earn money for your student's music department trip just by shopping for groceries. Purchase a \$100 gift card from Music Boosters, for \$100. Use the card to pay for your groceries when you shop. Music Boosters earns a profit of 5%, which is credited to your student's account. Cards are available in \$100 denominations.

I would like to order _____ gift cards @ \$100 each for _____ grocery store. Checks received by Monday will allow for a Friday delivery date.
