

FRIDAY'S PLACE

Dear 7th & 8th Graders & Parents,

The First Friday's Place of this year will be held on
September 26th, from 7:30pm-9:30pm.

Friday's Place is a fun event scheduled at
Scotch Plains-Fanwood High School three times a year. The goal of
Friday's Place is to provide a social evening in a secure environment for
7th and 8th grade students living in Scotch Plains and Fanwood.

The evening's activities include:

- DJ in the cafeteria
- Open gyms for basketball, volleyball, knock hockey, and ping pong
- A PG-rated movie
- Some board games in the Multi-Purpose Room
- \$.25-\$.50 refreshments

Tickets will be sold by filling out the form below. The cost for a ticket is \$4.00.
If you purchase the ticket at the door the cost will be \$5.00

In order to continue this event successfully, we need to build up the chaperone list each year.
Your child may not want you to chaperone; it is hard for them to understand that we cannot hold
the event without proper supervision. Besides they won't see you anyway since they will be too
busy having fun with their friends
