

The SOS Committee

Halloween Treat Bag Project

Would you like to provide a Halloween treat to a child who can't go trick-or-treating? We will deliver Halloween Bags that you create to children who live in areas that are not safe for trick-or-treating. Heart for Humanity will help us get the bags to local children who will truly appreciate them!

How can you help?

1. Decorate the attached brown bag(s) for Halloween.
2. Fill the bag with tasty treats and small goodies (see ideas below). Include a nice note if you would like.
3. Return the fun-filled bags to the Collection Box in the lobby between October 15th and 24th.

Guidelines and suggestions for the Halloween bags:

- Healthy snacks, such as raisins, pretzels, small cereal boxes, etc.
- Small toys with no sharp edges, such as party favors, stickers, crayons, pencils, etc.
- No homemade treats or peanut butter snacks, please.

Thank you for your participation and have a happy and safe Halloween!!!

For questions, feel free to contact Gina Friedman at 322-2513 or (gfriedman233@comcast.net), Eileen Reynolds at 490-0030 (errx2@yahoo.com) or Ellen Sherry at 322-7327 (sherrynj@verizon.net).
