

CELL PHONES:

We respectfully request that all visitors to School One **turn off their cell phones** upon entering to avoid any disruption in the building. At the same time, it is our opinion that it is not necessary for elementary children to come to school with cellular phones. Should a student need to make a phone call, our office staff will assist them. In instances in which parents provide cellular phones to their child, the phones must be shut off during the school day, from 8:35 a.m. to 3:10 p.m. Once children are dismissed from the building, they may turn their cell phones back on.
