

MILK MONEY:

Containers of milk may also be purchased on a monthly basis. There are five selections of milk to choose from including whole, skim, low-fat, low-fat chocolate, and strawberry. Milk money is collected on a predetermined day; usually a Thursday during the last week of each month, for the number of days school will be in session during the following month. Generally speaking, this date will be indicated in the monthly principal's newsletter.

Again, we ask that the exact change for each student be sent in a separate envelope, labeled "Milk Money," with the student's name, the name of the student's teacher, and the type of milk the student is to receive (skim, 1% and 2% low-fat white, 1% low-fat chocolate, or strawberry).

Because milk orders are placed in advance, no refunds can be made for absent children who have ordered milk. **Should an absence occur on the collection date, please make every effort to bring the order to our office. If this is impossible, please call the office to see if alternate arrangements can be made. Otherwise, the student will need to bring his or her own beverage to school for the following month.**
