

SOLICITING FUNDS IN SCHOOL FACILITIES

Date of Adoption: January 27, 2005

It shall be the policy of this Board not to permit solicitation of funds from staff or student body in the facilities of the school district for any purpose, other than those activities originating in and sponsored by the school system or recognized parent groups (i.e., PTA, LDA, Music/Athletic Boosters, etc.) whose activities are directly related to the schools. All such activities shall be approved by the Superintendent or designee prior to the origination of such fundraising programs.
