

BULLETIN BOARDS

Date of Adoption: April 29, 2003

It shall be the policy of this Board of Education that the use of the Bulletin Boards located in front of district schools shall be available for the organizations and the individuals as set forth in the categories below. It is further the policy of this Board that no discrimination shall take place with regard to the use of said bulletin boards or any other facility of the school district. Use shall be permitted as follows and in accordance with the priority as recognized in the following list:

- a. School Board announcements;
- b. School announcements;
- c. DECA announcements (High School only);
- d. School club announcements;
- e. PTA announcements;
- f. Municipal announcements;
- g. Personal announcements and community announcements by organizations.

It shall be the policy of this Board of Education that in the event the use of the bulletin board is requested by two or more organizations and/or individuals for the same date, priority shall be given to the organization or individual which falls into the highest category as noted above. In the event two organizations and/or individuals within the same category above apply to use the bulletin board for the same date, priority shall then be given to the first organization or individual applying.

The cost of placing such announcements shall be uniformly applied within each category. Application shall be made on such form as may be made available by the school and directed to the individual or individuals designated by the school principal to receive and process such applications.
