

## INSPECTION OF SCHOOLS BY OUTSIDE AGENCIES

**Date of Adoption:** November 23, 2004

It shall be the policy of this Board that any agency desiring to make an inspection of school facilities shall present a written request to the office of the Superintendent of Schools in sufficient time to allow school administrators to reply to the agency in writing with the starting date, time, place and conditions under which the inspection may take place.

The inspection party shall be accompanied at all times by a member of the school staff.
