

INSURANCE COVERAGE

Date of Adoption: December 19, 1974

It shall be the policy of this Board of Education to obtain insurance coverage as prescribed by the laws of the State of New Jersey.

The Board reserves the right to acquire other such forms of property insurance as it deems necessary and prudent to safeguard the institutional property of the district. It shall also have the right to acquire other such forms of liability insurance to indemnify against financial loss of those in service to and in the employ of the school district.

The Board shall seek to provide the above coverage at the most reasonable costs available.

The specific coverages afforded shall be those as described in the rules and regulations set forth pertaining to this policy.
