May 9, 2007

Dear Parent / Guardian:

This year we have planned an exciting and memorable year-end trip on June 13, 2007 for the Terrill 8th graders. We are confident that this trip is one the students will find enjoyable and meaningful and will remember for many years to come. For this celebratory event, we will join the 8th grade students from Park Middle School at the Pocono Valley Resort in Pennsylvania. You can visit their website at www.poconovalley.com for a tour of the facility.

We will depart Terrill Middle School at approximately 8:30 A.M. and return at 5:30 P.M. It is imperative that all students have transportation home at 5:30 P.M. **Students will not be permitted to walk home.** Students are asked to leave all valuable items at home. This includes jewelry, electronic games, portable CD players, and IPODS. Should these items be lost or stolen, the school cannot be held responsible.

Please complete the attached permission slip and submit along with \$35 cash or check made payable to Terrill Middle School Student Activities. Payment and permission slip should be placed in the box labeled "Pocono Valley Resort" located in the Counseling Office **no later than May 24, 2007**. All students are encouraged to partake in this culminating year-end activity to celebrate their accomplishments and time at Terrill Middle School. **Any student not attending the year-end trip is expected to be in school on this day.**

Lastly, as indicated previously, please be reminded that students who have in-school suspensions and out of school suspensions from February 17th – June 12th **will not** attend the trip.

Should you have any additional questions, please feel free to contact me.

Sincerely,

Kevin Holloway
Principal
