

ALL CLUBS WILL START THE WEEK OF SEPTEMBER 19, 2022

STUDENT ACTIVITY SIGN-UP FORM

Dear Student:

School activities that take place before and/or after school are a great way for you to make new friends while demonstrating school spirit. The activities for the 2022-2023 school year are listed below. Please read the general descriptions, meeting days, times, grade level requirements and adviser information carefully before signing up for an activity (ies). Once you sign up for an activity (ies), the adviser expects that you will attend regularly. In order to have a rewarding experience, it is important that you do not over commit yourself. Balance is important before, during, and after school hours in terms of how you spend your time.

Any student interested in participating in one or more activities is to complete the attached form with a parent and submit it to the activity adviser at the first activity meeting the week of SEPTEMBER 19th. Those students who would like to participate in more than one activity must submit a separate permission slip for each activity. Three permission slips are attached to this form, and additional permission slips are available on the main office. For students who are bussed to and/or from school, a late bus will be available to transport you home at 3:30 PM on the day the activity (ies) meets.

Sincerely,
Terrill Staff Members
