Dear Parents/Guardians,

Pursuant to *N.J.S.A.18A:7C-6.6*, school districts must provide parents/guardians with information regarding any State assessment and commercially-developed standardized assessment that will be administered throughout the current school year.

Attached you will find a *Summary of Standardized Testing* for the 2022-2023 school year. Our district will continue to provide updates as they become available throughout the school year. This and all future communication regarding standardized testing can also be found at <https://nj50000526.schoolwires.net/domain/1151>.

Should you have any questions and/or would like additional information regarding these assessments, please contact your child's principal or school counselor.

Sincerely,

  
Lisa Howa
