

Grading Benchmarks - KINDERGARTEN

READING

1. Demonstrates phonological awareness, phonics skills and word recognition

	1	2	3	4
Mid-Year	Shows awareness of separate syllables in words	Verbally blends and separates onset and rime in one-syllable words with support	Verbally blends and separates onset and rime in one-syllable words consistently and independently	Verbally blends, separates, and adds or substitutes individual sounds in simple, consonant-vowel-consonant (CVC) words consistently and independently; and reads common high-frequency sight words consistently and independently
End-of-Year	Verbally blends and separates onset and rime in one-syllable words consistently and independently	Verbally blends, separates, and adds or substitutes individual sounds in simple, consonant-vowel-consonant (CVC) words with support; and student reads common high-frequency sight words with support	Verbally blends, separates, and adds or substitutes individual sounds in simple, consonant-vowel-consonant (CVC) words consistently and independently; reads common high-frequency sight words consistently and independently	Distinguishes short from long vowel sounds in one-syllable words with support; reads grade appropriate irregularly spelled words with support; uses word families to read unknown words with support

Grading Benchmarks - KINDERGARTEN

2. Demonstrates knowledge of the alphabet

	1	2	3	4
Mid-Year	Identifies the sounds of a few letters	Produces the correct sounds for 10-20 letters with support	Produces the correct sounds for 10-20 letters consistently and independently	Produces at least one correct sound for each letter in the alphabet consistently and independently
End-of-Year	Produces the correct sounds for 10-20 letters	Produces at least one correct sound for each letter in the alphabet with support	Produces at least one correct sound for each letter in the alphabet consistently and independently	Produces short and long vowel sounds and most frequent sounds for each consonant consistently and independently

3. Demonstrates knowledge of print and its uses

	1	2	3	4
Mid-Year	Indicates where to start reading and the direction to follow	With support, shows awareness of various features of print: letters, words, spaces, upper- and lowercase letters, some punctuation	Consistently and independently shows awareness of various features of print: letters, words, spaces, upper- and lowercase letters, and some punctuation	Consistently and independently matches a written word with a spoken word; consistently and independently tracks print from the end of a line of text to the beginning of the next line
End-of-Year	Consistently and independently shows awareness of various features of print: letters, words, spaces, upper- and lowercase letters, and some punctuation	With support, matches a written word with a spoken word; with support, tracks print from the end of a line of text to the beginning of the next line	Consistently and independently matches a written word with a spoken word; consistently and independently tracks print from the end of a line of text to beginning of the next line	Distinguishes features of a sentence, including capitalization and punctuation consistently and independently

Grading Benchmarks - KINDERGARTEN

4. Comprehends and responds to books and other texts

		1	2	3	4
End-of-Year		Retells a familiar story and recounts an informational text in proper sequence, including major events and characters as appropriate, consistently and independently	Retells stories and recounts informational texts with many details about characters, events, ideas and story lines with support	Retells stories and recounts informational texts with many details about characters, events, ideas and story lines consistently and independently	With support, paraphrases grade-appropriate literature and informational texts and includes the major points and central message

5. Reads with fluency

Demonstrates accuracy, appropriate expression, and adequate rate in INSTRUCTIONAL texts

		1	2	3	4
End-of-Year		Reads word-by-word; does not self-correct any errors; stops at difficulty, relying on support to problem-solve unknown words	Reads word-by-word with some short phrases; self-corrects only some errors; at difficulty, initiates problem-solving of a few unknown words	Reads in short phrases most of the time; self-corrects most errors; at difficulty, uses several cues to problem-solve unknown words	Reads in longer phrases at times; self-corrects errors quickly or reads accurately; at difficulty, uses multiple cues to problem-solve unknown words

6. Reads at grade level

Instructional reading level is determined by the Developmental Reading Assessment

MP	1	2	4
End-of-year	Reads at level 3 or below	Reads at level 4	Reads at level 6
			Reads at level 8 or above

Grading Benchmarks - KINDERGARTEN

WRITING

1. Writes name

	1	2	3	4
Mid-year	Writes mock letters or letter-like forms	Writes letter strings	Writes partially accurate first name, with some errors in sequence, form and/or orientation of letters	Writes accurate first name with all letters in correct sequence, form and orientation using uppercase or lowercase letters (or a combination of both) consistently and independently
End-of-year	Writes accurate first name with all letters in correct sequence, form and orientation using uppercase or lowercase letters (or a combination of both) with support	Writes accurate first name with all letters in correct sequence, form and orientation using uppercase or lowercase letters (or a combination of both) consistently and independently	Writes accurate first name with all letters in correct sequence, form and orientation using uppercase or lowercase letters (or a combination of both) consistently and independently; writes accurate last name with support	Writes accurate first and last names consistently and independently

Grading Benchmarks - KINDERGARTEN

2. Writes to convey ideas and information

		1	2	3	4
Mid-year		Uses drawing, dictation, and letter strings to convey a message	Uses drawing, dictation, and early invented spelling to convey a message with support	Uses drawing, dictation, and early invented spelling to convey a message consistently and independently	Consistently and independently produces very simple compositions (narrative, informative/explanatory, and opinion) using writing, drawing and dictation to supply information about a topic and narrate an event, incorporating feedback from others as needed
	End-of-year	Uses drawing, dictation, and early invented spelling to convey a message consistently and independently	With support, produces very simple compositions (narrative, informative/explanatory, and opinion) using writing, drawing and dictation to supply information about a topic and narrate an event, incorporating feedback from others as needed	Consistently and independently produces very simple compositions (narrative, informative/explanatory, and opinion) using writing, drawing and dictation to supply information about a topic and narrate an event, incorporating feedback from others as needed	With support, produces simple compositions (narrative, information/explanatory, and opinion) to supply information about a topic and narrate a sequence of events that include key components (reasons for opinions, facts, some closure), incorporating feedback from others as needed

Grading Benchmarks - KINDERGARTEN

3. Writes using conventions

	1	2	3	4
End-of-year	<p>Does not yet:</p> <ul style="list-style-type: none"> - print many upper- and lower-case letters - write a letter or combination of letters for most consonants and short vowel sounds - use basic capitalization (first word in a sentence and the pronoun "I") - write simple words phonetically based on knowledge of sound-letter relationships 	<p>With support:</p> <ul style="list-style-type: none"> - prints many upper- and lower-case letters - writes a letter or combination of letters for most consonants and short vowel sounds - uses basic capitalization (first word in a sentence and the pronoun "I") - writes simple words phonetically based on knowledge of sound-letter relationships 	<p>Consistently and independently:</p> <ul style="list-style-type: none"> - prints many upper- and lower-case letters - writes a letter or combination of letters for most consonants and short vowel sounds - uses basic capitalization (first word in a sentence and the pronoun "I") - writes simple words phonetically based on knowledge of sound-letter relationships 	<p>With support:</p> <ul style="list-style-type: none"> - prints all upper- and lowercase letters - uses basic capitalization and punctuation - spells using learned spelling, phonemic awareness, and spelling conventions - makes simple edits to drafts

Grading Benchmarks - KINDERGARTEN

SPEAKING AND LISTENING

1. Demonstrates listening skills for comprehension

	1	2	3	4
Mid-year	With support, responds appropriately to specific vocabulary and simple statements, questions, and stories	Consistently and independently responds appropriately to specific vocabulary and simple statements, questions, and stories	With support: - responds appropriately to complex statements, questions, vocabulary, and stories, asking questions when needed - offers opposites for frequently occurring verbs and adjectives - understands the difference between similar action verbs	Consistently and independently: - responds appropriately to complex statements, questions, vocabulary, and stories, asking questions when needed - offers opposites for frequently occurring verbs and adjectives - understands difference between similar action verbs
End-of-year	Consistently and independently responds appropriately to specific vocabulary and simple statements, questions, and stories	With support: - responds appropriately to complex statements, questions, vocabulary, and stories, asking questions when needed - offers opposites for frequently occurring verbs and adjectives - understands the difference between similar action verbs	Consistently and independently: - responds appropriately to complex statements, questions, vocabulary, and stories, asking questions when needed - offers opposites for frequently occurring verbs and adjectives - understands the difference between similar action verbs	With support: - checks for understanding of material presented orally by asking questions and making comments - demonstrates understanding of the differences between verbs and adjectives that are somewhat similar - uses context clues (e.g. known words, facial expressions, gestures) to determine meaning of unknown words or phrases from grade-level material

Grading Benchmarks - KINDERGARTEN

2. Uses language to express ideas clearly

	1	2	3	4
Mid-year	Names familiar people, animals, and objects	Describes and tells the use of many familiar items with support	Describes and tells the use of many familiar items consistently and independently	Incorporates new, less familiar, or technical words (acquired through texts and conversations) in everyday conversations consistently and independently; correctly uses new meanings for familiar words consistently and independently
End-of-year	Describes and tells the use of many familiar items consistently and independently	With support, incorporates new, less familiar, or technical words (acquired through texts and conversations) in everyday conversations; With support, correctly uses new meanings for familiar words	Incorporates new, less familiar, or technical words (acquired through texts and conversations) in everyday conversations consistently and independently; correctly uses new meanings for familiar words consistently and independently	With support, incorporates new grade-appropriate words (acquired through texts and conversations); with support, clearly describes and explains events, ideas, and feelings using relevant details

3. Engages in conversations

	1	2	3	4
Mid-year	Engages in conversations of at least three exchanges with support	Engages in conversations of at least three exchanges consistently and independently	Engages in complex, lengthy conversations of five or more exchanges with support	Engages in complex, lengthy conversations of five or more exchanges consistently and independently
End-of-year	Engages in conversations of at least three exchanges consistently and independently	Engages in complex, lengthy conversations of five or more exchanges with support	Engages in complex, lengthy conversations of five or more exchanges consistently and independently	With support, extends conversations by responding to comments and asking questions; with support, asks and answers questions to clarify information during grade-appropriate discussions

Grading Benchmarks - KINDERGARTEN

MATHEMATICS

1. Understands and applies number concepts to represent quantities

	1	2	3	4
Mid-year	Recognizes and names the number of items in a small set (up to five) instantly; combines and separates up to five objects and describes the parts	With support: - makes sets of 6-10 objects and then describes the parts - identifies which part has more, less or the same (equal) - counts all or counts on to find out how many	Consistently and independently: - makes sets of 6-10 objects and then describes the parts - identifies which part has more, less or the same (equal) - counts all or counts on to find out how many	Consistently and independently solves simple equal share problems; consistently and independently makes sets of 11-20 objects and then describes the parts
End-of-year	Consistently and independently: - makes sets of 6-10 objects and then describes the parts - identifies which part has more, less or the same (equal) - counts all or counts on to find out how many	Solves simple equal share problems with support; makes sets of 11-20 objects and then describes the parts with support	Consistently and independently solves simple equal share problems; consistently and independently makes sets of 11-20 objects and then describes the parts	Consistently and independently answers <i>how much</i> questions about wholes partitioned into equal-size shares of two and four; verbally labels each part and describes its relationship to the whole consistently and independently

Grading Benchmarks - KINDERGARTEN

2. Understands shapes

		1	2	3	4
Mid-year		With support, identifies a few basic shapes (circle, square, triangle)	Consistently and independently identifies a few basic shapes (circle, square, triangle)]	With support, describes basic two-dimensional shapes by using own words; with support, recognizes basic shapes when they are presented in a new orientation	Consistently and independently describes basic two- and three-dimensional shapes by using own words; consistently and independently recognizes basic shapes when they are presented in a new orientation
	End-of-year	Consistently and independently describes basic two- and three-dimensional shapes by using own words; consistently and independently recognizes basic shapes when they are presented in a new orientation	With support, shows that shapes remain the same when they are moved, turned, flipped, or slid; with support, breaks apart or combines shapes to create different shapes and sizes	Consistently and independently shows that shapes remain the same when they are moved, turned, flipped, or slid; consistently and independently breaks apart or combines shapes to create different shapes and sizes	Consistently and independently distinguishes essential attributes of triangles, rectangles, squares, trapezoids, half circles, and quarter circles; consistently and independently visualizes and creates known shapes

3. Compares and measures

		1	2	3	4
Mid-year		Makes simple comparisons between two objects	With support, compares and orders a small set of objects as appropriate according to size, length, weight, area, or volume	Consistently and independently compares and orders a small set of objects as appropriate according to size, length, weight, area, or volume	Consistently and independently uses multiples of the same unit to measure; consistently and independently uses numbers to compare; knows the purpose of standard measuring tools
	End-of-year	Consistently and independently compares and orders a small set of objects as appropriate according to size, length, weight, area, or volume	With support, uses multiples of the same unit to measure; with support, uses numbers to compare; knows the purpose of standard measuring tools	Consistently and independently uses multiples of the same unit to measure; consistently and independently uses numbers to compare; knows the purpose of standard measuring tools	Consistently and independently uses measurement words and some standard measurement tools accurately

Grading Benchmarks - KINDERGARTEN

4. Represents and interprets data

	1	2	3	4
Mid-year	With support, knows a few ordinal numbers ("first," "second," etc.)	Knows a few ordinal numbers ("first," "second," etc.) consistently and independently	Reads simple graphs with support; uses simple comparison and ordinal terms ("first," "second," etc.) to describe findings with support	Creates and reads simple graphs consistently and independently; uses simple comparison and ordinal terms ("first," "second," etc.) to describe findings consistently and independently
End-of-year	Knows a few ordinal numbers ("first," "second," etc.) consistently and independently	Reads simple graphs with support; uses simple comparison and ordinal terms ("first," "second," etc.) to describe findings with support	Creates and reads simple graphs consistently and independently; uses simple comparison and ordinal terms ("first," "second," etc.) to describe findings consistently and independently	Consistently and independently organizes, represents, and analyzes data with up to three categories; consistently and independently uses simple numerical summaries (counts, tallies) and ordinal terms to describe findings

5. Demonstrates knowledge of patterns

	1	2	3	4
Mid-year	Copies simple repeating patterns	Extends and creates simple repeating patterns with support	Extends and creates simple repeating patterns consistently and independently	Recognizes, creates, and explains more complex repeating and simple growing patterns consistently and independently
End-of-year	Extends and creates simple repeating patterns consistently and independently	Recognizes, creates, and explains more complex repeating and simple growing patterns with support	Recognizes, creates, and explains more complex repeating and simple growing patterns consistently and independently	Notifies more complex patterns in numbers consistently and independently; identifies the core unit of patterns consistently and independently; represents patterns using numerical and letter symbols consistently and independently

Grading Benchmarks - KINDERGARTEN

SCIENCE

1. Demonstrates knowledge of facts and understanding of concepts either orally or in writing

	1	2	3	4
Mid-year: Trees and Weather; Materials and Motion	Rarely demonstrates understanding of vocabulary and key concepts related to the following topics: - trees as living organisms - characteristics of different trees - characteristics of weather and weather changes - properties and uses of wood	Beginning to demonstrate understanding of vocabulary and key concepts related to the following topics: - trees as living organisms - characteristics of different trees - characteristics of weather and weather changes - properties and uses of wood	Demonstrates understanding of vocabulary and key concepts related to the following topics: - trees as living organisms - characteristics of different trees - characteristics of weather and weather changes - properties and uses of wood	Independently extends understanding of vocabulary and key concepts, including: - trees as living organisms - characteristics of different trees - characteristics of weather and weather changes - properties and uses of wood
End-of-year: Trees and Weather; Materials and Motion; Animals Two by Two	Rarely demonstrates understanding of vocabulary and key concepts related to the following topics: - properties and uses of paper - properties and uses of fabric - motion of objects - trees through the seasons - animals as living organisms - comparing and contrasting living organisms - needs and habitats of living organisms	Beginning to demonstrate understanding of vocabulary and key concepts related to the following topics: - properties and uses of paper - properties and uses of fabric - motion of objects - trees through the seasons - animals as living organisms - comparing and contrasting living organisms - needs and habitats of living organisms	Demonstrates understanding of vocabulary and key concepts related to the following topics: - properties and uses of paper - properties and uses of fabric - motion of objects - trees through the seasons - animals as living organisms - comparing and contrasting living organisms - needs and habitats of living organisms	Independently extends understanding of vocabulary and key concepts, including: - properties and uses of paper - properties and uses of fabric - motion of objects - trees through the seasons - animals as living organisms - comparing and contrasting living organisms - needs and habitats of living organisms

Grading Benchmarks - KINDERGARTEN

2. Applies scientific process skills (observing, recording data, experimenting, interpreting results, and communicating)

	1	2	3	4
Mid-year: Trees and Weather; Materials and Motion	Unable or rarely able to learn through discovery; unable or rarely able to use scientific process to conduct investigations and communicate observations (e.g., verbally and/or writing/drawing, science journals/investigations)	Beginning to learn through discovery; sometimes uses scientific process to conduct investigations and to communicate observations (e.g., verbally and/or writing/drawing, science journals/investigations)	Learns through discovery; uses scientific responses to conduct investigations and communicate observations (e.g. verbally and or writing /drawing, science journals/investigations)	Extends scientific understanding to problem-solving situations and/or applications to real-life situations
End-of-year: Trees and Weather; Materials and Motion; Animals Two by Two	Unable or rarely able to learn through discovery; unable or rarely able to use scientific process to conduct investigations and communicate observations (e.g., verbally and/or writing/drawing, science journals/investigations)	Beginning to learn through discovery; sometimes uses scientific process to conduct investigations and to communicate observations (e.g., verbally and/or writing/drawing, science journals/investigations)	Learns through discovery; uses scientific responses to conduct investigations and communicate observations (e.g. verbally and or writing /drawing, science journals/investigations)	Extends scientific understanding to problem-solving situations and/or applications to real-life situations

Grading Benchmarks - KINDERGARTEN

SOCIAL STUDIES

1. Demonstrates understanding of concepts either orally or in writing, and through social interactions

	1	2	3	4
Mid-year	Demonstrates little understanding of concepts, consistently requiring teacher support to describe key social studies concepts and apply those concepts to daily interactions in the classroom	Demonstrates some understanding of key concepts, sometimes requiring teacher support and additional scaffolding to describe key social studies concepts and apply those concepts to daily interactions in the classroom	Demonstrates an understanding of key concepts in social studies by: <ul style="list-style-type: none"> - describing the ways individuals are unique, yet share similarities with others - explaining a process for resolving a conflict or solving a problem in the classroom community - identifying important classroom rules - applying an understanding of these concepts to daily interactions in the classroom 	Demonstrates an advanced understanding of key concepts in social studies by consistently and independently applying social studies concepts to daily interactions in the classroom
End-of-year	Demonstrates little understanding of concepts, consistently requiring teacher support to describe key social studies concepts and apply those concepts to daily interactions in the classroom	Demonstrates some understanding of key concepts, sometimes requiring teacher support and additional scaffolding to describe key social studies concepts and apply those concepts to daily interactions in the classroom	Demonstrate an understanding of key concepts in social studies by: <ul style="list-style-type: none"> - describing some ways the families in our community, and around the world are similar and different - identifying basic information that can be found on maps and globes - discussing individual and cultural differences in a manner that expresses respect and appreciation for diversity 	Demonstrates an advanced understanding of key concepts in social studies by consistently and independently applying social studies concepts to daily interactions in the classroom

Grading Benchmarks - KINDERGARTEN

ART

1. Demonstrates understanding of skills and concepts

*Participates with effort, cooperates, follows directions

		1	2	3	4
Elements and Principles of Art					
ALL		Student is unable to create 2- and 3-dimensional works of art while exploring color, line, shape, form and texture	Student is developing the skills needed to create 2- and 3-dimensional works of art while exploring color, line, shape, form and texture	Student is able to create 2- and 3-dimensional works of art while exploring color, line, shape, form and texture	Student is consistently able to create 2- and 3-dimensional works of art while exploring color, line, shape, form and texture
	Art History / Art Appreciation				
		- Student rarely uses basic art vocabulary - Student rarely identifies basic characteristics of artists' styles	- Student is beginning to use basic basic art vocabulary - Student is beginning to identify basic characteristics of artists' styles	- Student is able to use basic art vocabulary - Student is able to identify basic characteristics of artists' styles	- Student consistently uses basic art vocabulary - Student consistently identifies basic characteristics of artists' styles
