### **SPF PAL Intramural Program**

The Scotch Plains-Fanwood PAL is holding their 3<sup>rd</sup> Annual 'Cops & Kids' Intramural Program, for students in **5<sup>th</sup>-8<sup>th</sup> grade**. The idea is to get kids off of their video games and participate in some lightly-competitive programs with their friends and the Police Officers who serve their community. We want to reach out to all kids, of all abilities, who just want to have some fun! The events will be lightly-competitive and the kids will get a little exercise as well (*and their parents will get some free time to catch up on some things!*). The success of this event will depend on turn out, so please encourage your kids to participate! **Kids must bring in the signed form each day letting us know that they have their parents' permission to participate.** Forms are available in the Middle School Offices. You can also go to the following websites: [www.scotchplainspolice.org](http://www.scotchplainspolice.org) or [www.fanwoodpolice.org](http://www.fanwoodpolice.org) to download a copy.
