HACKSPF

March 9, 2019, 8AM - 12PM

Location: Scotch Plains Fanwood High School

Cost: \$20

**For beginning SPF coders in Grades 5 through 8
Information and Registration at www.hackspf.org**

This HackSPF event introduces computer science enrichment to our 5th through 8th grade community in the Scotch Plains Fanwood school district using Python as a programming language. No coding experience is required. This 4 hour hackathon will be a playful, exploratory computer programming event for coders of all levels.

*****CODING EVENT IS LIMITED TO FIRST 50 PARTICIPANTS*****
