

McGinn School Birthday Celebrations

The McGinn School day is packed with curriculum-based activities to introduce students to all subject areas. We would like to promote a love of learning when celebrating a child's birthday in lieu of birthday treats.

Favorite Book Signing: We invite McGinn students to bring in one of their favorite books to share with their class on their special day. A family member, special person, the teacher or the child him/herself can read the story to the class and have it signed by the teachers and staff in the building for a lasting memory and keepsake.

If you would like to celebrate your child's birthday in this way, please reach out to your child's teacher as the date approaches to arrange a convenient time.

Birthday Book: If you would like to donate a new book to the McGinn Media Center in honor of your child's birthday, a special birthday nameplate will be placed inside the book of your choice and your child's picture will be posted on our Birthday Book wall.

To donate a Birthday Book to McGinn, please feel free to send a book in with your child or reach out to Mr. Lohn for suggestions at ilohn@spfk12.org.

THANK YOU FOR PROMOTING OUR LOVE OF READING!!!

*Note: We prefer for treats to stay home. If you choose to send in a snack, it must be small and easy to distribute for the teacher, and be "**Nut-Free**". No GOODIE BAGS OR TRINKETS can be distributed in the classroom. **Birthday snacks cannot be refrigerated or frozen. Birthday treats can not be homemade.** The ingredients of all food must be checked by our school nurse before going down to the classroom. We encourage you to abide by the district policy on healthy snacks in school and consider any allergies that may be present in the classroom.*
