World Language/ French	French Club	December / January	Metropolitan Opera 30 Lincoln Center Plaza, New York, NY 10023	Opera connects to the theme Beauty and Aesthetics, which is one of six essential areas which is articulated through all levels of the French curriculum. The opera relates to this important topic by incorporating the experience and appreciation of both music and specific cultural components that include one's concept of the aesthetic. The essential question posed throughout the opera is: How do the arts both challenge and reflect cultural perspectives?	20	District busses	Funded by Students

Discipline	Name of Club or Class taking trip:	Date(s)	Trip Location	Justification	# of students	Transportation	Funding
World Language/ French	French Honor Society / French Club	November / December	NYC Ballet 30 Lincoln Center Plaza, New York, NY 10023	<p>New Jersey Core Curriculum Content Standard for Languages 7.1 states that students should gain an understanding of the perspectives of other cultures. Through language study, they will make connections with other content areas, compare the language and culture studied with their own, and participate in home and global communities.</p> <p>The ballet provides an opportunity for students to make connections between the language they are studying and a premier cultural product.</p> <p>This standard also addresses the need for students to observe and participate in culturally authentic activities in order to achieve familiarization with cultural products and practices. (Topics and activities that assist in the development of this understanding should include, but are not limited to: authentic celebrations, songs, and dances.)</p> <p>In the classroom, attendees will be invited to share their experience with classmates.</p>	40	District busses	Funded by Students
