

MEET THE SCHOOL NURSE

Hi! My name is Mrs. Meyer and I am the school nurse at School One! This will be my fourth year at School One and I am certain it will be another great year! I started my nursing career working in a hospital setting. For over five years, I helped care for inpatient pediatric as well as adult patients. I loved my experience caring for children and that is what led me to school nursing. I look forward to meeting each and every student throughout the school year (once I return from maternity leave in November)!

I was born and raised in Cranford, New Jersey. I continued my education at Ramapo College of New Jersey, where I received my Bachelor's of Science Degree in Nursing. I also attended Rutgers University, where I completed my school nurse certification. In my spare time, I enjoy spending time with my family. My husband and I love to travel with our two sons Logan and Owen, as well as our dog, Boomer. I also volunteer with Camp Quality New Jersey, this is an organization that helps children with cancer.
