Dear Parents/Guardians,

As per N.J.A.C. 8:57- 4.19, the state of New Jersey requires children 6-59 months old; attending preschool, receive the regular seasonal flu vaccine before December 31st each year.

Students not meeting the mandatory requirement must be excluded, for the duration of the influenza season (through March 31), until they have documentation of; vaccination, medical exemption, turn 5 years old, or religious exemption.

Children who turn 5 years old on or before December 31st, are not required to be vaccinated.

Please submit all necessary paperwork to the school nurse as soon as possible, and feel free to call with any questions.

Thank you,
