

Dear First Grader!

Welcome to first grade! I am so excited for our year together. This year will be full of learning, fun and friendship. I can't wait to meet you in person and work with you online. I am sure we will grow together.

Let me tell you a bit about myself. I live in Scotch Plains, and I have two children, Sean and Shannon. Mr. Bradley and I also have a dog named Jester. You will hear all about them this year. Some things I like to do are go to the beach, go kayaking, read, watch movies and go for walks. What are some things you like to do? I can't wait to learn all about you.

In my welcome letter I usually tell my new class all about our first day together. This year that is going to be very different, but there are still things we can do to prepare ourselves. You may want to set up a special work area that is free from distractions where you will sit each day. Be sure to have your notebooks, crayons, pencils and folders nearby so you can easily reach for the things you may need. I also believe that having a great day at school begins with a great morning. Having a good morning routine, one where you get up each day, eat breakfast and get ready for school will go a long way towards making our day even better.

I am so excited to meet you on September 9th at school. Then, I look forward to seeing you online when school begins on September 14. Enjoy the remaining days of summer vacation!

Your teacher,
Mrs. Bradley
