

Hi Second Grader!

My name is Ms. Hernandez and I will be your teacher this year! I love teaching second grade and I have lots of fun things planned for us this year!

One of the most exciting parts of second grade is how much we read together. I have some favorite books to read to you and I can't wait to see what a great reader you become this year!

Writing is another fun part of our day. You will be able to write about things and people that are special to you, creative stories, realistic stories, and you will even become an expert on one animal and be able to share your work with you families!

If you like insects, you will enjoy our Science unit! We are going to find out all about mealworms, beetles, crickets, and butterflies.

I have been very busy in our classroom setting up and preparing for you. I cannot wait to match your faces to your names on September 5<sup>th</sup>!

I hope that you enjoy the rest of the summer with your family and friends and get yourself ready for a super school year!

If your Mom, Dad, or Guardian would like to contact me for any reason, please show them my email address.

See you soon! ☺

Ms. Hernandez
