

August 2020

Dear New Second Grader,

Hello! My name is Mrs. Pincus and I am so excited to be your new second grade teacher this year. I hope you all had a wonderful summer and are ready to start 2nd grade. I love teaching 2nd grade and I have many exciting things planned for us this year. Something that I am really excited about is that you will all get your very own CHROMEBOOK to use at home this year!!!

I'd love to tell you a little bit about me! My husband is Mr. Pincus and we have 2 sons, Ryan and Daniel, who are 10 and 12. This summer we swam a lot, visited the beach, and read lots of awesome books. We also have played lots of really fun board games and completed many puzzles!

Second grade is an exciting adventure! There will be lots of new information to learn, and we will make many discoveries together. We are going to read lots of wonderful books, become better spellers and write some fantastic new things during our Writer's Workshop! You will learn to add and subtract double and triple digit numbers together. At the end of the year, I will even introduce you to multiplication and division. We will investigate communities, insects, solids and liquids. I know you will love 2nd grade as much as I do! I expect you to try your hardest and be respectful of your classmates. By doing this, we will have a classroom

where everyone can learn and have FUN!!! Do not worry if something seems hard.....I am here to help you!

I look forward to meeting you very soon! Although this year may be starting differently than we would have hoped, I know we can make it special together! I look forward to our learning adventure! Second grade is going to be a year to remember. Enjoy the rest of your vacation.

Sincerely,  
Mrs. Pincus
