

August 2019

Dear Students and Families,

Hello! It's that time of year again! Children all over the state are preparing to start a brand-new school year. I can't believe the summer went so fast, can you? My name is Mrs. Burt and I will be your fourth grade teacher this year.

You will need a few supplies to start the school year. Here is a list of items you will need for fourth grade.

1 1-inch binder

7 2-pocket folders (You may label each folder with Math, Science, Social Studies, Reading, Writing, and Work in Progress, and one folder will be for Spanish)

3 Single Subject Notebooks

Pencils (at least three, sharpened)

Highlighter

Dry erase markers (at least 3)

Crayons or colored pencils (must fit inside pencil case)

Several glue sticks

A ruler (inches/centimeters)

A pair of scissors

A zippered case or box to hold supplies (This case must be able to fit into the desk.)

2-3 packages of sticky notes

2 books for D.E.A.R. Time

****Please make sure you put your name on everything!!****

There will be a cone outside on the blacktop with my name on it. I will meet you there! Please bring your best smile. I worry about meeting everyone and learning everyone's name on the first day. A smile from you would help me feel better! I hope you are excited to begin fourth grade. There are many exciting things that take place.

Please remember to bring a healthy snack and your lunch on Thursday, September 5th. Enjoy the last few days of summer. I'm looking forward to meeting you!

Sincerely,
Mrs. Burt
