- For all incoming 6th, 7th and 8th graders changing for Physical Education is optional. The school provides lockers however, the student must have a combination lock to secure all valuables during class if they are changing. Students may wear shorts, t-shirts, sweatpants, or sweatshirts and sneakers. If a student is not changing, sneakers are still required. Sneakers are the only proper footwear for Physical Education. Students are also recommended to bring in some form of antiperspirant or deodorant (sprays are not allowed).

- **Locks**

- You will need two combination locks, one for your hall locker and one for your gym locker, if changing. A combination lock for your hallway locker was supplied by Terrill Middle School, which was brought home at the end of the last school year. You can use your lock from last year. If you lost your combination lock from last year, you will need to purchase a new one on your own.
- **Key locks are discouraged since keys are easy to lose.**

Please purchase only these necessities to get you started. Each teacher will notify you of any other supplies that are needed for special projects or activities as they come up throughout the school year. We hope that you enjoy the rest of your summer, and we look forward to working with you this year!

Sincerely,

Your 8th Grade Teachers
