

Become a Member of our PTA & School Directory

Our goal as a PTA is to make sure that all our families have the opportunity to contribute to our amazing school. An easy way to do that is to become a member of our PTA and volunteer for the amazing events, fundraisers and programs we offer each year. It is incredibly easy as we now have a “one stop shop” for membership, our school directory and our school store!

1. Visit MemberHub (<http://coles.memberhub.com/store>) and purchase an individual membership or a family membership.
2. You will then receive an email from Memberhub to create your profile. This profile will be visible in our Directory and you can sort by teacher in order to see other children in your child’s class.
3. Make sure to “opt in” to our email blasts to stay up to date with upcoming events, fundraisers and programs. To register, send an email to colesptamail@gmail.com subject “**Register**”. You will receive a return email with registration instructions.

RETURNING FAMILIES: You need to purchase membership each year and therefore set your profile with your children and their teacher assignments. Also, **send an email to colesptamail@gmail.com subject “Register” if you need to add a new child to our system. You will receive a return email with instructions.**

Please know that you MUST be a paid PTA member to be a volunteer for any programs at the school.

If you have any questions, please reach out to our PTA President, Sonia Penoro at JAColesPtaPresident@gmail.com
