Dear Scotch Plains-Fanwood Community,

Thank you to the many families who joined last night's before and aftercare parent forum with Right At School. In case you were not able to join the forum, you can watch the recording [here](#).

Registration for the Right At School program is now open! As you will see, there are various options to meet your family's needs. The registration link for each school can be found below.

- [Brunner Elementary School](#)
- [Evergreen Elementary School](#)
- [Coles Elementary School](#)
- [McGinn Elementary School](#)
- [School One Elementary School](#)
- [Malcolm E. Nettingham Middle School](#)
- [Terrill Middle School](#)

In the coming weeks, Right At School will be hosting in-person meet-and-greets at each school to meet members of the Right At School team. Please stay tuned for more information about the specific dates.

Right At School is also happy to answer any questions that you may have. They are currently collecting all of the questions from the parent forum into an FAQ document that will be posted on the Scotch Plains-Fanwood District website and the Right At School website. If you have any questions specific to your family, please email Andrew Cohen, Regional VP, Northeast, of Right At School, at [andrew.cohen@rightatschool.com](mailto:andrew.cohen@rightatschool.com) directly.

We are very excited to bring Right At School to SPF as we believe this partnership has the potential to be a great service to our hardworking families.

Sincerely,

Dr. Joan Mast

Superintendent of Schools
