April 10, 2023

Dear SPF Community,

I am pleased to inform you of the following update. As communicated on this year's school calendar, we built in three emergency days in case of inclement weather or other unforeseen circumstances. Because we have not had to use any of these emergency days we are making the following adjustment:

Memorial Day weekend will be extended by adding May 24th, 25th, and 26th.

I hope that this news will be a source of rejuvenating energy for the last three weeks of the school year.

Sincerely,

Dr. Joan Mast
Superintendent of Schools
