

# THE LAB ROOM

◆ ——— SPF Student Science Competition ——— ◆

**The Lab Room** is a "Shark Tank"-style science competition for SPF students in grades 6 - 12 that aims to inspire scientific curiosity in the Scotch Plains and Fanwood Community. Participants will create their own science research experiment to be judged in front of a panel of scientists in a Shark-Tank-style format! The Lab Room empowers students to explore the wonders of science, realize their potential, and contribute meaningfully to society's scientific advancement through friendly and fun competition and collaboration!

## **IMPORTANT DATES:**

Monday, November 18th: *Project Submission Opens*  
Friday, January 31st: *Project Submission Closes*  
Friday, April 4th: *Final Event*
