December 21, 2016

Dear Parents/Guardians:

The McGinn staff and I are pleased to announce that we will hold **Parent Visitation on Friday, January 13<sup>th</sup>**. Please consult the schedule on the next page for the time that has been designated for your child's grade. For example, if your child is in fourth grade, you may visit his/her classroom or special between 11:05 and 11:40 a.m. If your child's class will be in a special, it is indicated on the schedule as well.

Parent visitation will provide you with the opportunity to visit your child during his or her routine for that time of day. You will see firsthand the thoughtful instruction that takes place at McGinn. Our purpose is to offer you a "glimpse" of a class in action and give you a sense of our curriculum, teaching methods and classroom/specials' routines. We respectfully request that visitors refrain from bringing food or beverages into the school, and turn off all communication devices, as your visit should be as unobtrusive as possible. We also ask that you sit in the designated areas and refrain from conversing with other parents during instructional periods. Your visit will be a part of a regular instructional day.

There will be tables set up in the main lobby where you are requested to **sign in and receive a visitor's badge**. Please write your name on the badge and keep it visible while you are in the building. We ask all of our community members to follow this procedure as we strive to maintain a safe and secure building. **Infants and small children are not to be brought to classrooms or specials during the visitation. Please make personal arrangements if you have children that are not of school age. There is no parking in the two lots in front of the school. Please find parking on the side streets.**

The staff and I are looking forward to seeing you at Parent Visitation and sharing with you many of the wonderful programs that we have to offer.

Sincerely,

Sasha Slocum,  
Principal
