January 18, 2022

Dear SPF Community,

During the week of January 10, 2022- January 14, 2022, approximately 120 students and 19 staff members reported testing positive for COVID-19.

Daily cases broken down by school can be found on the [spfk12.org dashboard](https://spfk12.org/dashboard).

During this time of very high COVID-19 activity, please continue to monitor yourself and your children for symptoms.

Stay well.

Dr. Joan Mast  
Superintendent
