

**QUESTION:** What will my child need for band?

**ANSWER:** The students will need the same three items for band:

1. Instrument (drummers only need drum sticks)
2. Lesson Book
3. Pencil

I will give a band folder to any student who did not already receive one with their rental instrument in September. Each student will also receive a pencil. I will also give them the first band song. The students are to keep their lesson book and the band music in the folder at all times.
