September 2019

Dear McGinn Families:

As we enjoy the excitement of the new school year, please consider the following when celebrating your child's experiences online.

- If you choose to post pictures, videos or information about your child, please do not post any photos or information about another child without the express permission of that child's family.
- When videotaping your child, please be aware that some families have elected to be on the "no publicity" list. Posting a video on social media could jeopardize the privacy of other McGinn families. Please make sure any videos you post are password protected for the private viewing of your family and not reposted or forwarded.
- Remember that information about your child or your child's class that comes home through the backpack or directly from your child's teacher **is not** public information and should not be shared online.

The safety of our children is of utmost importance. I thank you in advance for respecting these guidelines.

Sincerely,

Sasha Slocum
