

MCGINN PARENTS

Bottled Water Notice

Bottled water will now be offered for purchase at lunch. This is an 8-ounce bottle which will sell for \$.85. Please note that this is not included with lunch, it is an additional purchase. Only students with money available on their account will be able to purchase the bottled water.

We understand that not all parents will want their child to be able to make purchases in addition to lunch with their account money. If you would prefer that your child not be permitted to purchase water, please fill in the tear-off at the bottom of this page and return to your child's classroom and we will note your child's account.

If you have any questions, please contact Carmelina Januszonis at (908) 232-6161, ext.4018.

Thank you.
